In and Around Briar Patch

JANUARY 2022

Hello to all the members of our Briar Patch Community!

This is the first publication of "*In and Around Briar Patch.*" As well as an essential builder of community spirit and engagement, the purpose is to provide our residents with pertinent and helpful information. The issues will be created monthly, as of now, and emailed to all residents. Copies can also be picked up at the Clubhouse on the first of the month. My name is Connie Ausflug and I have assumed the task.

Here are a few items, which may be included in each issue:

- *Messages from our Board Members*
- *Relevant local news*
- *Upcoming events in our community and beyond*
- *Acknowledgments and thanks to our residents, Volunteers and Board Members for all they provide in helping our community be the best place to live*
- *Photos of our community events*
- *Sharing of members' exciting news such as wedding, retirement, or any other milestone written by you or simply an announcement*

In 2021, Streets & Grounds had many accomplishments made in Briar Patch. We have eliminated about 90% of our rust problems through testing, replacing aged equipment, and adjusting the many chemical additives used in our wells. With continued support from our homeowners, we have also cut down on the many sprinkler heads being damaged from parking and/or driving on our lawns.

Moving forward in 2022, I ask all of our residents to use the landscape modification and work order request forms found on-line to have anything done per our deed restrictions. That would be a great service to us so we can continue to make Briar Patch a great looking community to live in.

Thank you.
Fred Ausflug

There are a number of books available to choose at the Clubhouse. They are displayed on the book shelves alphabetically by author – paperbacks on the left book shelf and hard-bounds on the right.

When you are finished with the book, please be courteous and replace the book in the space from where you took it.

Our Clubhouse is a great place for participation in a number of activities! **Please help me** by letting me know what **activities** you would like to see at the Clubhouse – board games, book club, demonstrations of a skill, cards, etc.? I'm open for any and all suggestions. At one time, Bingo was played at the Clubhouse. Anyone interested in participating in Bingo again? Please send me your suggestions at: donnamarie13us@yahoo.com

Thank you for your help.
